When Mark removes his **BELT:** **GO TO FULL WASH** and **HOUSE UP to 40%**

SHOW CREDITS: When Mark leaves the stage after **FAN BOWS.** Stage lights **OFF.**

About Lights: We will set a general wash that will be used most of the show. Normally this is most lights on with lights in the front center and overhead center off. Lots of side and back light. We will concentrate on the cues in the enclosed rectangles. A good rule is: if Mark is juggling GO TO FULL! Also: if you see Marks back light on GO TO FULL!
